

# Tall wall

Ovens at eye height and a fridge that disappears behind the wall of tall units.

- Ovens at eye height
- A fridge you don't see

## What is in it

| PART                                                                                                                    | VARIANT | QUANTITY | UNIT PRICE | TOTAL  |
